対話1

Leo: Can we meet in front of the sports hall after school?

Miki: The hall is closed this week. We can use the classroom next to the music room.

Leo: Is that Room Three?

Miki: Yes. Bring your notebook. We can go to the music room later if we need to hear the song.

Question. Where will Leo and Miki meet after school?

対話2

Aya: Did you buy a new umbrella for the trip, Noah?

Noah: No. The weather will be fine when we leave. But it may get cold by the river in the evening.

Aya: I’m taking a jacket. You can borrow my extra one.

Noah: Thanks, but I have one at home. I’ll put it in my bag tonight.

Question. What will Noah put in his bag tonight?

対話3

Sara: The team photo starts at half past four. Can you get to the field by then?

Ren: I’ll finish cleaning the classroom at four ten. But I need to give these books back to the library first.

Sara: I’m going there now. I can take them for you.

Ren: That would help. I’ll go straight to the field after cleaning.

Question. What will Sara do for Ren?

問題B 放送

Hello, everyone. I’m here to tell you about our bird walk this Sunday. The poster at the community center says we will start at nine, but we are going to start half an hour earlier. This is because the path near the lake becomes busy later in the morning. Please meet by the map at the park entrance. We will lend you a small book with pictures of birds, so you do not need to buy one. Please bring a pencil. We will stop three times, and I want you to write down where you see each bird. We plan to finish at the library, not at the park entrance. You can take a bus home from the stop in front of the library.

Question 1. What time will the bird walk start?

Question 2. Why should people bring a pencil?
